ARTIST APPLICATION

- By applying to the Hyde Park Community Art Fair, you agree to bear all risk and expense for any damage, loss, or theft of your artwork, or any person, regardless of cause.
- You agree to be present with your artwork both days of the fair. You agree that all artwork displayed is your own work made by you and not that of anyone else and that you will exhibit work that has been, this year, or previous years, juried by the Hyde Park Community Art Fair.
- You agree your display will be properly secured; your canopy/display must have heavy weights on all four corners, as well as grass anchors where applicable. If your display is not properly secured you will be asked to either properly secure it before opening, or you will be asked to leave. For the comfort and safety of others, exhibitors may not burn incense, play music, or bring pets.

SPACE ASSIGNMENTS

The Art Fair takes place in Bixler Park.

There are very few straight lines, and many trees/slopes in this beautiful setting.

We have various shapes of spaces, not all are 10X10. Premium spots in odd shapes!

PLEASE FILL OUT COMPLETELY

Do you require a traditional 10x10 space?

Do you require a FLAT space? (Keep in mind, most of our spaces have a slope, some on concrete, some grass, so flat is rare, but we will attempt to comply)

Is your Display flexible and can work in an odd shape? For example, 8x8, 5x15, 8x12 or no canopy? Please describe in detail your flexible display options. Some larger spaces available for a premium. Some smaller spaces available in prime locations! Let us know what you need!

Returning Artists would you like the same space as last year? Or if available would you like to move to a different section? Please list the row/section or describe the area as best you can that you would like to move if there is availability.

Everything in the display must be contained to the space markings as it concerns your neighbor. No exceptions. Be Considerate of your neighbors. We are all very lucky to be doing what we are doing. Work with us and your neighbor when it comes to trees and curves. Stay within the markings. When in doubt contact someone in the Crew. Thank you!
